14 + 13 BEACH OF MASPALOMAS

Long miles of fine sandy beaches and spectacular dunes. There are also areas **NUDIST**. An ideal place to enjoy the sea in its purest form well as our climate and environment.

Very close to the lighthouse at Maspalomas, immediately next to the HOTEL Faro, we Restaurant "Senator". It is a very pleasant, glued to the sea, sun, wide terrace and very good cooking. Recommendations. We also recommend entering PALM BEACH HOTEL (Seaside Hotels) and take the bar in their pits a coffee or cake; enjoy their gardens and get a wonderful massage at its SPA with Mrs Mercedes: it's really fantastic...!

IMPORTANT:

The Shuttle - Bus service to our **SHERATON HOTEL** is free for Guests of Las Villas. It is indeed comfortable to use it to scroll this area because we avoid the discomfort of having to be looking parking, with consequent expenditure, and also leaves us with 30 metres the beach of Maspalomas, so handy to all this. What we have marked on levels. It is also very pleasing to take this bus to get off at dusk in this area to dine at any of these places ..., to taste good Spanish wine from Rioja or Ribera del Duero and not have problems with the Police and alcohol ... back home, we can take a taxi from this zone (very easy to find) and 12 euros are happy back in Salobre Golf (warn the TAXI we want to go to or Sheraton Salobre Golf Brackish Hotel!).

In this area we also **two** wonderful places to enjoy the Golf and its environment:

-- **Maspalomas GOLF:** very pleasant and quiet stop playing. They have a Restaurant very nice ideal to go to dinner (by car, is not close of the previous area ...).

-- **Meloneras Golf:** Playing golf with the sea bottom! Supermarkets: over Sonnenland, in the village board and to the left ... (See map), we have two large supermarkets with good prices (Mercadona and Spar). VIVO in Sonnenland is a Tourist supermarket good, but prices are much higher than in the people a little above ...

COMMERCIAL ANNEX II Playa del Ingles

A comfortable place to park and enjoy the Playa del Ingles, strolling South ..., joins the beach of Maspalomas.

Shops tourist low and restaurants acceptable. Playa del Ingles Centre: ideal place for youth night, with endless premises at night, shopping malls, etc.

We recommend:

Hard Rock Cafe: (in the lower reaches of Buenos Aires Apartments, near the C. C. Yumbo Center

Nikki Beach Fun Club: in the lower reaches of Apts. Kok, near the C.C. Kasbah

Pacha Disco Pub: low of Aptos. Maritim, also near the C.C. Kasbah (These areas do not recommend for people under 20 years ...!)

Taking the road to Fataga, we have a restaurant that is typical **Rest Grill "The Old House"**, Tel. : 0034 928-769010

Beaches, hotels, shops and restaurants. We recommend especially the Rest. "Loopy's" right next to the Grand Casino Gran Canaria, next Hotel Tamarindos (tlf.: 0034 928-762892).

We also recommend the Casino Hotel Melia Show Tamarindos.

A little farther north, so click on the plane, we have the Rest. Bamira, Bamira apartments Tel.: 0034 928-767666

Another recommendation is balcony of St. Augustine, a place to eat walk from sea and we can take a soaking from direct access to the sea (without touching the sand).

17 + 18 BEACH OF PUERTO RICO

Ideal for children to go ..., water activities (motorcycles, torpedo boats, parachute into the sea: lot of fun!)

20 BEACH OF AMADORES

New artificial beach, very wide, ideal for children to go ... and have a place in both hands farther south (tb the mark. ... on the map) very pleasant to spend the day ..., type, chill out with loungers and large direct access to the sea Very nice!

ANOTHER NICE PLACE TO VISIT ...: Beach de Mogan and its pier Sports, with many shops (regular) but restaurants welcome to visit and try

Suggested all these routes along the coast, to enjoy the landscapes and the sea cliffs. There is already a very direct and convenient highway ... , but we lose these charms
